

The logo features a white lowercase 'i' with a white dot, set against an orange square background. To the right, the word 'Learn' is written in a large, bold, orange sans-serif font. A registered trademark symbol (®) is located at the top right of the 'Learn' text. The entire logo is enclosed in a thin orange rectangular border.

iLearn Math[™]

**Quick Start Guide
for Parents**

Welcome to iLearn

Complete these three steps to get started.

Step 1: Activate with Student Key

Step 2: Create an Account

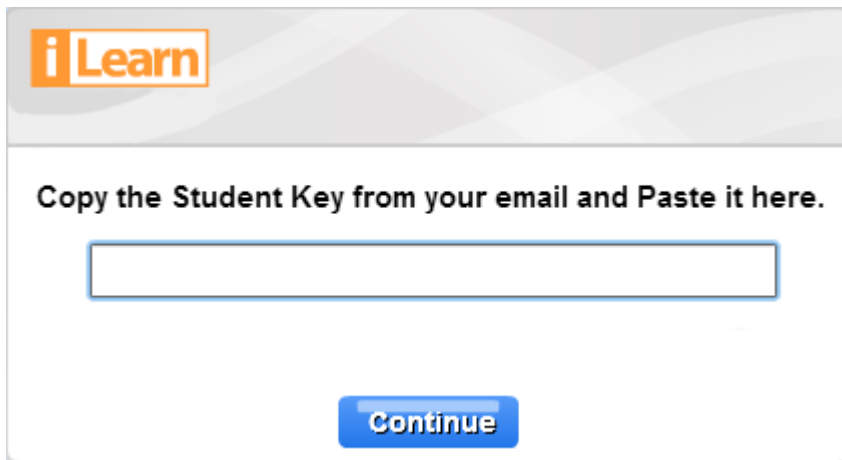

Step 3: Log in and Get Going!

Step 1: Activate with Student Key

First activate an account with your Student Key.

Go to www.ilearn.com/091216v1

From your Welcome email, copy the Student Key and paste it into the box seen by clicking the link above.

A screenshot of the iLearn activation form. The form has a grey header with the iLearn logo. Below the header, the text reads "Copy the Student Key from your email and Paste it here." followed by a large, empty text input box. At the bottom of the form is a blue button with the word "Continue" in white text.

iLearn

Copy the Student Key from your email and Paste it here.

Step 2: Create an Account

Enter your child's first name, grade level, and a username and password that you and your child will remember. Record the username and password in a safe place.

*** = required**

Student's First Name: *

Student's Last Name: *

Student's Enrolled Grade: * ▼

The student's grade is used to determine which content will be shown.

User Name: *

Password: *

Confirm Password: *

Must be 4+ characters with no special symbols or spaces.

Important: Usernames and passwords are not case sensitive and cannot contain special characters (for example: !@#\$%^&*()<>:"'{}[\'/;).

Step 3: Log in and Get Going!

With your new username and password, you and your child will always log in at www.ilearn.com/login and click the button “Click Here.” **Bookmark this link above** in your browser. Once you have an account, you’ll log in here every time.

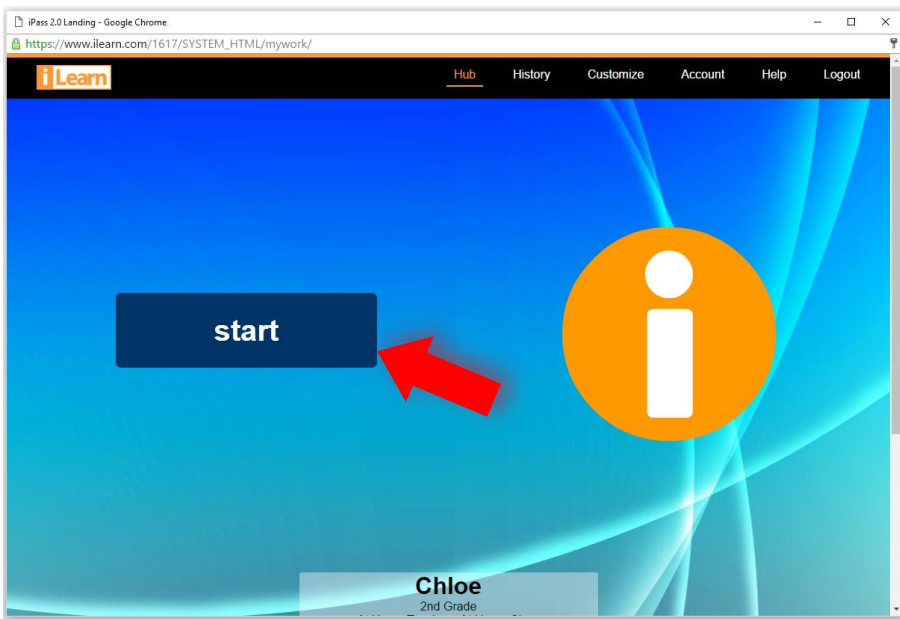

Then, enter the username and password for the account you activated:

Username

Password

Click the start button

It's that simple! Your child will complete two short intro lessons, and take a few Placement Tests. Challenge tests throughout the program will help your child skip the things they know and learn the things they need. iLearn Math automatically saves all progress. Just click Play each time to begin.

Click Logout when done. iLearn Math remembers where you are.
